

Seminar on Water Scarcity

Chair of Hydrology and River Basin Management

Friday 17.06.2016

Room 0406

11:30-13:00

11:30-11:45

Sun Hemin: *Water cycle in China*

11:45-12:00

Zhan Minjin: *The Haze in China*

12:15-12:30

Huang Jinlong: *Drought in China*

12:30-12:45

Yu Yang: *Water consumption and allocation strategies along the river oases of Tarim River based on large-scale hydrological modelling*

12:45-13:00

Teschemacher Sonja: *Planning field scale hydrological experiments: the Glonn experimental site*
