

Water Management at the Catchment Scale

Fieldtrip to the Adige River Basin

Information meeting and registration

To all interested master's students,

we invite you to the information meeting about the **Field Trip to the Adige River Basin** in the Italian Alps. The field trip is part of the seminar **Water Management at the Catchment Scale (3 ECTS)** offered in the Summer Semester.

The field trip, together with the seminar, will take place from the **18th to the 22th of September 2023**, and it has a **cost of 75€**.

The meeting will be held on **May 3rd, 2023 at 09:30** in **Room 2601**. We will cover information regarding the activities and program of the trip, as well as scientific topics and assignments for the participants.

Registration and payment for the field trip will be possible right after the meeting. Since the seminar is an elective module of the Master in Environmental Engineering for the Field of Study 2 (Water Resources Management), students of this program will have priority.

Students that cannot attend in person, can send an e-mail (please indicate semester and field of study) and/or register through a colleague present at the meeting.
