

## how to assemble

Instructions: <https://youtu.be/XDrkKnhUcp8> (in German)

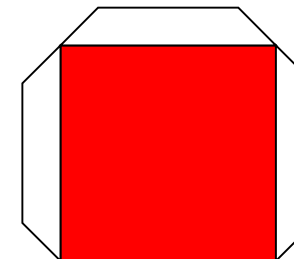

At the end of a dark year, let it rip with the Statik Confetti Cannon and the unique Statik Confetti Collection

We wish you Merry Christmas and a really good and happy New Year.

**You need:**  
scissors, glue and a **rubber band.**

Ideally suited is the classic UHU all-purpose adhesive.

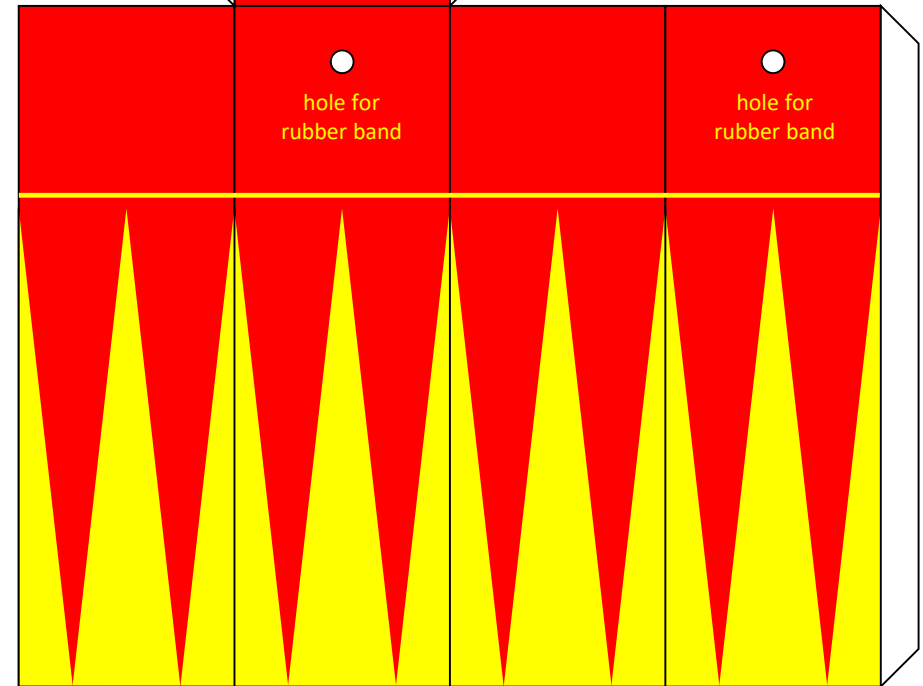

Your Lehrstuhl für Statik

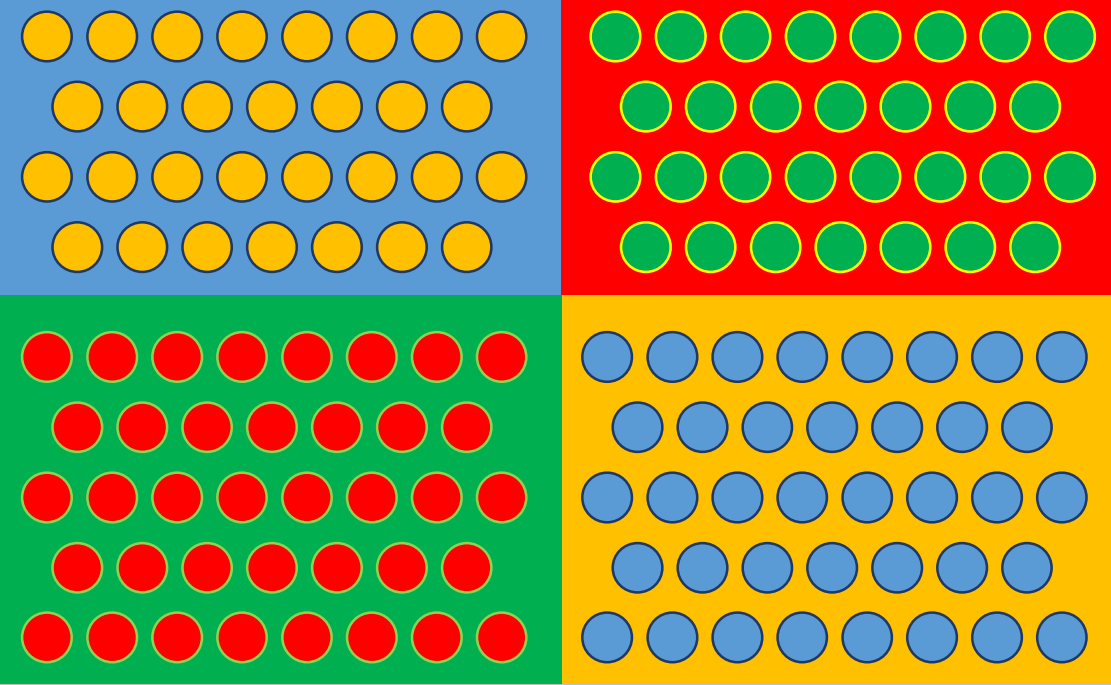

Stamp

**Hint:** Scrape the folded edges before cutting. All visible edges are folded edges. Pierce all holes before cutting.
